

How does an instructor pair a Connect course with a Moodle course using MH Campus?

1. Login to your Moodle account by going to <https://lms.ssc.edu/> and clicking on “Log In”.

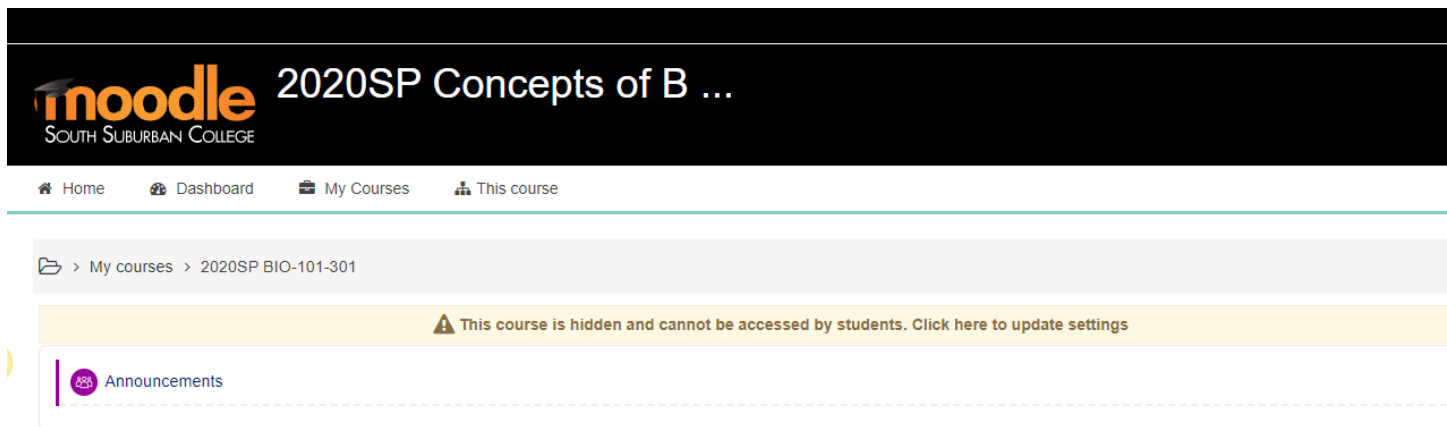

The screenshot shows the Moodle login interface. At the top left is the Moodle logo with 'SOUTH SUBURBAN COLLEGE' underneath. The main heading is 'Log in'. Below it are two input fields: 'Username' and 'Password'. The password field is masked with dots. There is a 'Remember username' checkbox and a green 'Log in' button. Below the button are links for 'Forgotten your username or password?' and a note 'Cookies must be enabled in your browser' with a help icon. On the right side, there is a section titled 'Is this y' with instructions: 'Enter your South Suburban College Username and initial followed by your last name and then a thr'. Below this is a warning 'DO NOT USE tmakin1' and a note 'Your Password is the same you used to access the Login Information? Visit The Distance Learning P' with a link to 'http://www.ssc.edu/distance-learning/online-hy'.

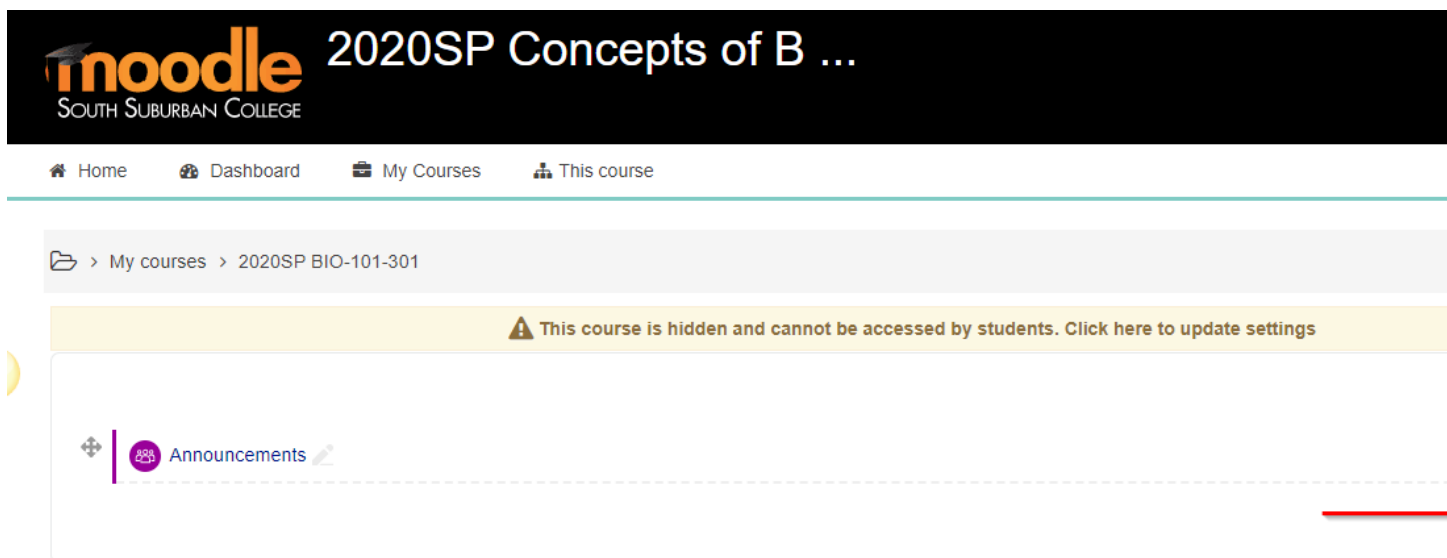

2. Navigate to your appropriate course by selecting “My Courses”.

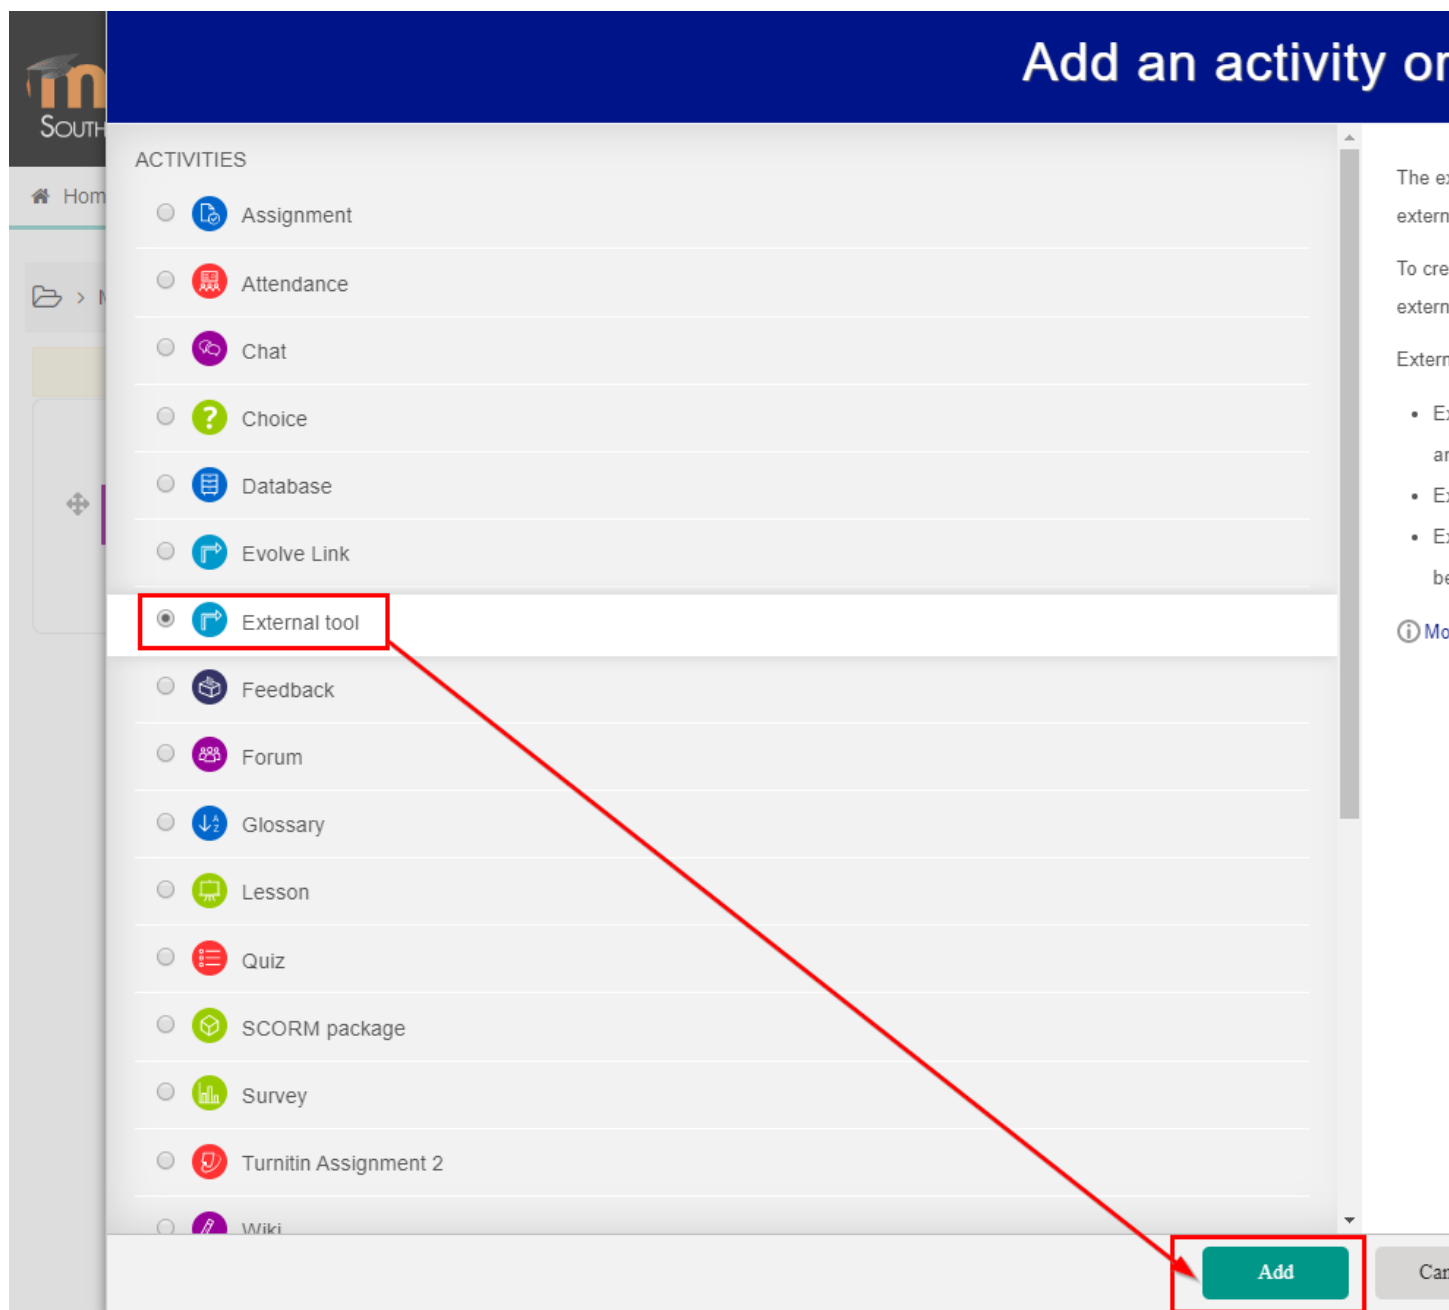

3. Turn editing on by selecting “**Turn editing on**” in the upper right corner

4. Select “**+Add an activity or resource**” where you would like to place the MH Campus tool link

5. Select “**External Tool**” and click the “**Add**” button on the bottom of the page.

6. Enter an **Activity Name**: (Example: McGraw Hill Campus or Connect, etc...)
7. Select the **Preconfigured tool**: McGraw Hill Campus
8. Click "**Show More**" (to show more options)
